## **Ontario Horse Racing Industry Association**

### **Letter of Commitment to Fire Safety and Prevention**

*This letter confirms that we, the undersigned members of the Ontario Horse Racing Industry Association are committed to fire safety and prevention. The Ontario horse racing industry recognizes the importance of fire safety and prevention to ensure the well-being of horses and horsepeople, and protect the livelihood and investments of all the members of our industry.*

*Under the auspices of the Ontario Horse Racing Industry Association, we are committed to the promotion of best practices within the industry through awareness campaigns, and educational and training seminars.*

*We expect all members of the industry to actively participate in reducing the risk of fires at racetracks and horse racing facilities.*
